Whereas the Town of Grimsby has a by-law in effect that prohibits the keeping of certain domestic farm animals in certain areas of the Town; and

Whereas this by-law does not address the keeping of domestic farm animals in all residential areas of the Town; and

Whereas the keeping of domestic farm animals does attract wildlife into these residential areas; and

Whereas this wildlife may be dangerous to the residents and pets of the residents should there be encounters; and

Whereas the Town should be proactive in reviewing this by-law against best practices to ensure its relevance meets the Town's present needs; and

Therefore, be it resolved that Council direct staff to investigate and report on options available to Council on the keeping of domestic farm animals throughout all residential areas of the Town including all related by-laws.
